## Professional Experience

Smithsonian Center for Folklife and Cultural Heritage – April 2022 to August 2022 DC and Maryland

Assistant Carpenter for 2022 Folklife Festival, — built and modified exhibits at request of curators.

Constructed, finished and rigged major structures using wood and metal. Operated boom forklifts and aerial lifts

Displayed cultural artifacts on behalf of the Festival Participants, Earth Optimism and the United Arab Emirates

Premium Painters – April 2021 to September 2021

Virginia, DC, and Maryland

Painter / Estimator and Project Coordinator

Painted in commercial and residential spaces, using HVLP sprayers, 18” roller, and brushes.

Selected paint products on a per-project basis, color matches, as well as estimations and other preparations for a variety of projects. Coordinated sourcing and material selections across the team.

Bond’s Escape Room – February 2019 to December 2022

Fairfax and Arlington, Virginia

Served on a team of four, as a props artisan, mold maker and scenic finishing artist.

Performed on-site installation of escape rooms, creation of maintenance plans, and hosting of corporate team building.

## Educational Experience

University of North Carolina School of the Arts – 2019 to May 2023

Daily work in a mixed used shop environment, managing and fabricating shows, including devised pieces and operas.

Including loading in productions off-site, with use of state vehicles and thorough coordination with each production manager and other departments. Served as assistant Prop Shop Foreman, maintaining machinery, tools, and safety
